TOWN SEAL

The Town Seal bears two dates, 1629 represents the year Saugus was settled by Salem Residents; 1815 is the year that the Town was incorporated under the name Saugus. Originally Saugus was part of Lynn, but in 1815, after Lynn Residents who attended church in Saugus decided that the distance was too far to travel; so broke off on its own. The Town seal features an Indian by the name of Montowanpate, who was known as Sachem of Saugus. In the early days there were many Indians residing within the boundaries of the Town and fishing in the Saugus River was one of their favorite pastimes.

Saugus is an older Town than most people realize. Legend has it that pirates came up the Saugus River to a cave in the Lynnhurst section known as Pirates Glen.

In the background of the seal is Round Hill, a 50 foot hill at the rear of the Public Works Building near Saugus Center. On the Horizon of the seal is a sun rising which symbolized the beginning of a new day, or a new Town.
